MVM, INC.,

§ § § § § § § § § §

Civil Action No. 4:22-cv-15

**PARTIES' JOINT MOTION FOR ADDITIONAL STAY OF PROCEEDINGS
PENDING SETTLEMENT EFFORTS**

Plaintiffs Brandon Anderson, Datarik Box, Isabel Correa, Lily Galanis, Kasandra Hall, Harmony Hunt, Lakeithsha King, Julio Mendoza, Amanda Thomas, and Cynthia Vazquez (collectively referred to as “Plaintiffs”) and defendant MVM, Inc. (“Defendant” and/or “MVM”), jointly request an additional 60-day stay of this action for all purposes so that the parties may continue to pursue settlement discussions in an effort to resolve their dispute. The parties respectfully show the following in support of their request:

1. On April 20, 2022, plaintiffs filed their Complaint with this Court alleging that MVM failed to them for all hours worked in violation of the Fair Labor Standards Act.
2. On January 17, 2023, the parties requested a stay of this action to engage in good-faith settlement discussions in an attempt to resolve plaintiffs' claims. On March 20, 2023, the parties requested an additional 45-day stay of this action to

continue to pursue settlement discussions. That stay expires today, May 4, 2023.

3. The parties have continued to engage in settlement discussions and made progress in their settlement efforts. The parties continue to believe such discussions will be their best opportunity to resolve this dispute without incurring significant additional litigation fees and costs which, once incurred, likely will have a negative impact on the ability of the parties to resolve the case via settlement.
4. Accordingly, in furtherance of the parties' settlement efforts, the parties jointly request an additional 60-day stay of the case for all purposes. The parties agree to submit a joint status report on or before July 7, 2023 informing the Court of the status of their settlement discussions. The parties believe this should provide them with sufficient time to determine whether this action can resolve without the need for further litigation.
5. If the parties have not resolved their dispute by July 5, 2023, then no later than July 7, 2023, the parties will either request an additional stay to continue settlement discussions or submit a proposed revised scheduling order. Any proposed revised scheduling order will include a new deadline to complete discovery.
6. No prejudice will result to either party by granting this request, which is not made for purposes of delay.

WHEREFORE, the parties request that the Court grant the relief requested herein and stay all proceedings in this matter until July 5, 2023.

Dated: May 4, 2023

Respectfully submitted,
